Sageworks "ANALYST"

Ensure Accurate and Consistent TruGlobal™ Analysis

Increase Consistency • Impress Examiners • Improve Credit Quality

Put A Fine Point On Your Financial Analysis

Analyst™, the TruGlobal™ Credit Analysis Tool from Sageworks

Bankers and financial professionals throughout the United States have made Analyst the industry's leading choice in software for financial analysis.

Analyst's comprehensive **financial analysis suite** empowers users to create clear reports, enabling them to make timely and **accurate credit decisions**. Features include forecasting and projection models, loan analysis capability, sensitivity analysis, valuation models, loan portfolio analysis, private company industry data and benchmarking, and narrative financial analysis reports.

Make Analyst your choice and you will improve consistency, impress examiners, and increase credit quality.

Input screens mirror tax returns, facilitating data entry and minimizing errors.
